

# Welcome Back to School

## Gwinnett County

The Gwinnett County Solicitor's Office is committed to making this school year safe, supportive, and successful one for every student, teacher, and family in our community.

### Back to Safety

As the school bells ring, let's keep safety in session:

- 🚧 Slow down in school zones
- 📱 Eyes up, phones down while driving
- 💬 Talk to your kids about bullying & online choices
- 🗣️ If you see something, say something

### Focused Drivers

It's not just a school zone. It's someone's whole world crossing the street.

- ⚠️ Watch for kids
  - 🚫 Put the phone away
  - 🕒 Respect school zone hours
- A few seconds of patience can save a life.

### Online Safety

**School's back. So are screens.**

🎮 **Group chats, DMs, TikToks, and snap decisions — remind your kids:**

- ➡️ **What you post lives forever**
- ➡️ **Sexting can be a criminal offense**
- ➡️ **You can't unsend a bad choice**

**Let's keep school safe on AND offline.**
