- Notes:** 1. This course was measured using the full width of the trail and the Shortest Possible Route (SPR). Trail is an asphalt and concrete path, 10'-14' wide. Course marshals who understand the route are to be used to direct runners at the specified turns.
2. Start/Finish, and all mile marks have nail, 1" diameter washer, yellow hash mark (2" x 3"), and yellow stencil paint (3" tall) at curb on both sides of path.
3. Some inter-connecting trails may not be shown for clarity.
4. See Sheet 2 for mile mark descriptions. Enter GPS coordinates in mapping tool for quick location of marks.
